Dear Sir:

AMENDMENT

Responsive to the Office action mailed 3 July 2002, please amend this application as follows:

In the Claims:

Amend claims 1 and 12 as follows:

1. (Once Amended) A lighting method, comprising:
 - (a) providing a plurality of lights, each one of said lights for producing a light beam;
 - (b) providing a plurality of movable light supports;
 - (c) mounting each one of said lights on a corresponding one of said supports;
 - (d) defining a path to be traversed by said supports and said lights; and,
 - (e) moving each one of said supports and said lights along said path, independently of movement of any other one of said supports and said lights along said path.
12. (Once Amended) Lighting apparatus, comprising:
 - (a) a plurality of movable light supports;
